## DREAM CREAMS

We take a look at the latest in high tech skin care and recommend a few old favourites as well . . .

**Sisley Hydra-Global Intense Anti-Aging Hydration, £96**  
Expensive but effective! Available from John Lewis.

**FemRenew from Dr Denese, £34.94**  
Menopausal Anti-Aging Compound. Scientifically developed with progesterone, encapsulated retinol, alpha lipoic acid, powerful anti-oxidants, multi-vitamins and botanical extracts to counteract the first signs of skin ageing after menopause. Targets hormonal ageing with medically approved levels of key ingredients.

**Christian Dior Capture Totale Multi-Perfection Creme, £85**  
A classic anti-ageing product which works on wrinkles, slackening, lacklustre skin and dark spots with spectacular results. A little goes a long way.

**Elizabeth Arden Eight Hour Cream, £20**  
This is every woman's desert island product. Created in 1936 to soothe skin, it can be used as a moisture boosting face mask, treat for feet and hands and anti-ageing lip balm and plumper. An essential in every woman's grooming kit!
