■ Dr Denese has launched the perfect summer moisturiser. Defense Day Cream has SPF 30 UVA and UVB protection, plus zinc oxide – one of the most effective UV protecting ingredients available. The Denese formula rubs in easily and blends with any skin type. A rich combination of vitamins and minerals, anti-oxidants and ceramides provides anti-ageing and moisturising benefits.

Defense Day costs £31.95 for 60ml and is available from Dr Denese on 0870 1900 003 or online at drdenese.co.uk
