y Q Med has recently launched ylane Lipp containing natural luronic acid, ecursor to agen, for giving you the per-volume. re are also a aber of over-counter lip mpers that you the bee-g look in utes.

**TEN UP**  
ing teeth  
tened is a  
ck way to get  
nstant improve-  
it to the way  
r mouth looks.  
don dentist Dr  
Stemmer is a  
h whitening specialist and his

stained because of a lot of different things such as wine, tea and coffee," says Stemmer. "One of the most popular treatments to put this right is tooth whitening, which can lift the colour of the teeth by several shades.

Chipped and mis-shapen teeth can be corrected with veneers, which are very effective."

### MEGALIPS BY DR DENESE OF NEW YORK — BIGGER, BEAUTIFUL LIPS INSTANTLY

MegaLips is a dual action lip-plumping cream proven to provide both immediate and long-term lip enhancement.

The active ingredient, a derivative of the chilli family, stimulates blood flow to the lips, helping to redefine lip border and giving fuller lips within 10-15 minutes of application. Lasts for two hours.

It costs £17.95 and is available from Dr Denese on 0870 1900 003 or online at [www.drdenese.co.uk](http://www.drdenese.co.uk)
