FACIAL SCRUBS

Origins Modern Friction, 125ml,
£27.50, 0870 034 6700.

Gunky at first, but skin is radiant afterwards. I loved this one.

Kate Somerville Enzyme Dual Scrub and Mask, 25g, \$55, www.katesomerville.com, 001 800 984 5283.

Gentle, effective scrub from LA's facialist to the stars. Blackheads go, skin glows: amazing.

Dr Denese Doctor's Micro-dermabrasion Cream, 60ml, £12.95, 0870 190 0003. Cream from top New York dermatologist is surprisingly good despite the cost.

Desert Essence Foaming Bamboo Face Scrub, 198g, £14.95, 0152 757 0444. Fiddly, gritty, scratchy, annoying.
