Our top five lip plumpers

1 **Boots Time Delay Instant Lip Plumper** (£7, 0845 070 8090). This brand-new gloss gives lips a subtle sheen with just a hint of colour. It tingles slightly on application, and makes lips look instantly fuller, thanks to the glossy finish.

2 **Purelogical Pure Pout Lip Plumper** (£22.99, 0870 777 4555). A nifty pen applicator delivers active ingredients that get the blood flowing to the area for fuller lips. The product has plumping collagen, amino acids and hyaluronic acid.

3 **Vit Vit Extra Volume Lips** (£14.95, 020 8559 8244). A three-step programme, which includes day and night creams, plus a soothing, colourless gloss. Used daily, it plumps your pout and it reduces the depth and width of wrinkles in just 15 days.

4 **Skin Science Dr Denese Totally Lippy Kit** (£24.95, 0870 190 0003). The Instant Lip Plumper does what it says on the tin, plus there's the Lip Firm Peach Gloss with SPF15 to protect this delicate area from sun damage.

5 **Pout Plump** (£16, 020 7379 0379). Available in six shades, this minty-tasting gloss increases lip volume by an average of 40 per cent after one month of regular use, thanks to the trademarked ingredient, MaxiLip.
