Dr Denese of New York Instant Wrinkle Press

Dr Denese has a fantastic range of wrinkle busters and skin rejuvenators. Her latest product Instant Wrinkle Freeze tightens wrinkles within minutes of application with a freezing affect. It also helps minimize dark under eye circles with "nanopeptides" and is applied under all other creams and over them throughout the day if necessary. It contains Palmitoyl Oligopeptide, Palmitoyl Tetrapeptide-3 as well as Gamma Amino Butyric Acid which is the 'exclusive inhibitor peptide factor' Instant Wrinkle Press costs \$86 (£44.95. €67) for 15ml and is available from Dr Denese on 0870 1900 003 (from UK) or online at www.drdenese.co.uk
